1. LOCAL BASE HOSPITAL HAS CAPABILITY TO CONDUCT ALL TESTS, BUT AT RATE OF FIVE (5) PERSONS PER DAY DUE TO LIMITATION OF RESOURCES AND HEAVY WORKLOAD. PLAN SCHEDULE EACH RETURNEE AS POSSIBLE, AND FORWARD SUMMARY REPORT AS REQUESTED.

2. FYI: RETURNEES FROM FIRST STAGING GROUP HAVE BEEN OBSERVED FOR CLINICAL SIGNS AND SYMPTOMS OF INTESTINAL AND PARASITIC DISEASE, OTHER THAN EXPLICABLE DUE TO LOCAL OR OTHER CAUSES, WITH NEGATIVE RESULTS. PLAN USE TEST RESULTS AS BASIS FOR EVALUATION OF FIRST GROUP OF RETURNEES.
